

ABOUT THE RESEARCH JOURNAL

Innovatus is the past participle of the Latin word *Innovare* or Innovate. Innovatus is the official research journal of the University of Asia and the Pacific, Department of Information Science and Technology. The first issue of Innovatus is a compilation of double-blind peer-reviewed research articles from the 2nd International Research Conference on Emerging Trends in Asia and the Pacific held last February 21, 2018 and the Best Research Papers of UA&P Bachelor of Science in Information Technology Students. The journal publishes at least one issue per year. It accepts original scholarly works in the areas of Information Technology, Computer Science, Information System, Computer Engineering, and allied disciplines.
